ROOM SERVICED

As a sales rep I do a fair bit of travelling, and over the years I've had one or two little adventures worthy of inclusion in Club International, but there's one that still stands out in my mind which took place a couple of years ago, when I was traveling in the West Country. Now the company I work for usually ensures the hotels we have to stay in are of a certain standard, but on this occasion I

found myself standing in the foyer of one that just looked grubby. Oh well, I thought, it's only one night.

I checked in, looked round the bar and restaurant, and decided to get some room service and have a night chilling out, because the hotel itself looked completely uninviting. The room was OK, at least, and I flicked on the TV and looked at the room service menu. Some wine and a selection of sandwiches will do – can't go wrong with that!

I ordered and was told it would be 30 minutes, enough time to shower and freshen up. As I was drying there was a knock at the door and a call of "Room service." That was quick. I looked round for a robe, nothing, so I wrapped a towel around me and opened the door.

When I opened the door I was a bit surprised. There were two girls holding the order, both in their very early twenties and dressed the same, white blouses and short black skirts with bare legs and heels that seemed strange when carrying food.

I let them in and they put the tray of food on

A BIKE-LY STORY!

I just wanted to write in to let Chanta know that if she really does fancy going for a spin on the back of a bike sometime, she's more than welcome to ride mine! I wouldn't charge her for the privilege, either, so if she's ever in the Sheffield area, get her to call me!

Michael, Sheffield.

Yes, thanks Michael – and everyone else who offered! – Ed.

the side.

They were giggly and seemed very new to the role, not quite sure what to do and I noticed that they both looked me up and down and exchanged looks together. The one that looked a bit older handed me the bill to sign. She was busty, the shirt tight against her chest, blonde hair in a ponytail, pretty and with long tanned legs.

As I signed, the second girl started to open the bottle of wine; she was smaller, very petite in build, dark hair way past her

shoulders with more exotic looks. She offered me the glass to taste and it was then I realised there were three glasses on the tray. I tasted it and told her it was fine.

She took the glass back and then said, "Now do you want to taste meas well?"

I looked at her blankly and the older girl followed up with, "We are part of your room service."

My cock started stirring under the towel.

"Don't worry," the blonde said, "no-one knows we are here, we

PLEADIN' FOR EDEN

I've been buying Club for several years now, and every now and again you've still got the power to take my breath away with the stunning girls you feature. In the latest issue (38.04) it was Eden who really hit the nail on the head for me, and prompted me to finally put pen to paper, after years of thinking about doing it.

As far as I'm concerned, this dark-haired beauty represents the epitome of the perfect Club girl – a cute, innocent looking face, combined with a really hot body and (if only I could actually find this out for myself!) a delicious looking pussy! Even those bee-sting boobs are just the sort I like, so all in all, I'd say she's the perfect package. Please try and feature her in the magazine again before too long – say you will and I promise I'll keep buying it!

Alan, Stoke.

We'll try our utmost to get her back before long – have no fear! – Ed.

deliberately made sure we took your order and made it ourselves – but we have finished our shift.”

“Why?” I asked.

“Because we saw you check in,” said the younger one, “and thought you may want some fun?” It was said more as a question and my cock stiffened further. I sat on the bed and each girl walked towards me and stood on either side. I looked at their name badges; the blonde was called Julia and the dark-haired girl, Stacy.

Stacy handed me a glass of wine and I took a mouthful before she took the glass back. She then put her hand on my shoulder and pushed me back onto the bed. She knelt on the bed and moved up towards me. She was looking down on me and started to undo her shirt. As she did I could see she wasn't wearing a bra, her tits were small, probably an A-cup but they were very pert. She took her shirt off and dangled a nipple over my mouth.

I couldn't resist. I leaned up and

A LICK-Y FOR NIKKI

I've always liked to follow the careers of page three girls – even if it just ends up with them releasing disappointing pop songs, but I've really hit paydirt with Nikki! Little did I realise when I first clocked her in the paper a couple of years back that a) she'd also be in *Club*, and b) that within a couple of years I'd be treated to the sight of her swapping spit and fanny juice with the delectable little Sonia Red! There have been a few other girls from the papers who've got up to some naughty stuff over the years, but none of them has been anywhere near as cute as Nikki, so keep up the good work, guys!

Alan, Sunderland.

Not just naughty, Alan – downright filthy, as a trip to Paulraymond.com will prove! – Ed.

STATE OF UNDRESS

Have a guess where you think American hottie Dakoda's from...

Hmm, Dakota – that's an unusual name. Tell us, does it bear any relation to where you come from?

"Well, as it happens, you're right! I'm from Bismarck, North Dakota. I'm very proud of my home state, and I wanted everyone to know about it. I changed the spelling to Dakota, because that's how we say it up there!"

And we bet your state is very proud of you, too – after all, it's not every girl in the world who's cute enough to open an issue of *Club International*. Tell us, are all the girls up there as horny as you?

"I'd say they're mostly pretty horny, yes – it can get very cold up there in the winter, and we need to do something to keep warm, after all."

Well, thanks to your exposure, we're sure a lot more people will be interested in visiting. And thanks to the exposure of that delectable snatch of yours, we're starting to feel a bit peckish. Would you mind if we, erm, travelled south, Dakota...? ♣

HORSES FOR COURSES

I don't know whether you were making it up about Sarah liking to get off on a rocking horse (*Perish the thought!* – Ed.), but I've been doing it for years! We've had an old rocking horse in the family ever since I can remember, and I've lost count of the amazing climaxes I've had riding it! It's even better if you throw in a sex toy as well! Your female readers should try it!

Kelly, Southampton.

kissed, and then sucked on, her very stiff nipple.

Although small, her nipples were obviously very sensitive, and Stacy became quiet vocal, telling me to suck and bite her. I was alternating the tits now and she was pushing each one in my mouth, their size making it relatively easy to suck deep in. Whilst my mouth worked her tits my hand found her bare legs and I stroked my way up her thighs and up her skirt. What a minx! No panties, and I found a wet pussy straight away.

"In answer to your question," I said, after fingering her for a while, "yes I certainly would like to taste!"

Stacy laughed and pulled her skirt up, straddling me with a thigh each side lowering her wet pussy onto my mouth. She did taste great and I eagerly licked and slurped on her lips, tasting her juices before working my tongue onto her clit.

As I licked I had almost forgotten Julia was there, until I felt her hand undo the towel. She pulled it away and my hard cock sprang at her. Julia started to lick my shaft and I knew Stacy was watching over her shoulder whilst she ground down on my mouth with her now soaking wet cunt.

Julia then stripped and lay alongside me with her mouth working my cock and her legs open so I could finger her snatch while she sucked. The girls were increasingly noisy, especially Stacy, who soon shouted that she was going to come. As she did she bucked on my mouth and I held her tight in my mouth so I could take her through her orgasm. Finally she rolled off me and immediately joined Julia, the two of them sharing my cock with their mouths. They both knew what they were doing, and Julia was soon moving into a 69 position so I could taste her.

She tasted just as good but was clearly more experienced, moving her clit

against my mouth, knowing how to bring herself off quickly. She did come quickly enough, but unlike Stacy she continued to let me probe her lips after she had climaxed. I gulped down her cunt juices as they dribbled in my mouth.

The two girls continued to suck and lick my balls and I knew I wouldn't be able to hold out much longer. Julia seemed to sense this and she moved off me and on to her knees, taking over the blow-job on her own. I warned them that I was going to come and she held my dick in her mouth as, with a loud groan, I pumped my spunk in. She took as much as she could before lifting her head and Stacy moved towards her to kiss her. I watched, captivated, as both girls kissed open mouthed, sharing my come between them.

Stacy then poured the wine for all of us and the girls lay down either side of me. There was lots of kissing, including the girls kissing each other and touching, while they told me a little about themselves. They were girlfriends but Stacy occasionally missed cock. It seems this was the first time they had done this but had fantasized together about it whilst bored and had decided tonight they would try their luck after they saw me check in.

As we finished the wine Stacy's hand went down my chest and gripped my cock, and she purred as it stiffened in her hand.

"Right" she said, "I'm going to go down on Julia now, I love her taste.

You are going to stand at the bottom of the bed and fuck me hard!"

"Yes ma'am!" I replied.

She did exactly as she said. Julia lay flat and Stacy went down on her, ensuring her little bum was in the air with her pussy inviting me in. As I pushed in she squealed a little. I held her by the waist and began to fuck her very tight pussy.

Julia was shouting at me to fuck her hard and make her scream and Stacy was obliging, little screams interrupting her eating of Julia's snatch.

My balls banged

PEARL BEFORE SWINE!

Well, I think you've done it again – unearthing another star who's going to shine extra brightly in the glamour firmament! I'm talking about Anita Pearl, who featured in your most recent issue. As soon as I saw her on the cover I knew you were onto something special, and once I'd checked out her beautiful arse and inviting cunt it was clear I was right! This girl's really got what it takes to go all the way – maybe she could replace Stella as your regular girl? What do your other readers think...?

Brian, Saffron Walden.

LITERATURE & THE ARTS

26 YEARS AGO – THE HITLER DIARIES

1983: West Germany's *Stern* magazine inadvertently kicks over the first stone in what will become an absolute rockslide of scandal with their publication of excerpts from a series of scribbled tomes purporting to be the page-a-day diaries of Adolf Hitler. The publication sells two million copies of the first installment alone, thrilling the world with what are believed to have been the Fuhrer's daily journal entries.

Sadly, the Hitler Diaries phenomenon will be very short-lived. Despite *The Sunday Times*, the *New York Times* and *Newsweek* all rushing to print extracts and famous historians putting their reputations on the line in defence of the journals, the diaries will soon be exposed as crafty forgeries knocked out by a mysterious "Dr. Fischer" – real name Konrad Kujau – who has already made a rich living forging hand-written *Mein Kampf* manuscripts and paintings "by Hitler" for gullible collectors. The German reporter who broke the story, Gerd Heidemann, was also in on the swindle, in which huge amounts of moolah changed hands.

Two years after the fraud was uncovered, Kujau and Heidemann were each sentenced to four and a half years in pokey for purveying their nasty, Nazi-themed porkies.

SHOWBIZ SHOCK HORRORS

31 YEARS AGO – THE MYSTERY OF CHAPLIN'S CLOCKWORK CORPSE

1978: The corpse of Charlie Chaplin is recovered by police after having been stolen several weeks earlier by (unlikely as it sounds) a ring of Swiss mechanics.

Chaplin's robust health had begun to slowly fail in the late 1960s, and more rapidly after he received his Academy Award in 1972. By 1977 he could no longer communicate and was confined to a wheelchair. He died in his sleep at his home in Vevey, Switzerland and was interred in Corsier-Sur-Vevey Cemetery, Vaud.

On 1st March 1978, a crack team of Swiss mechanics crept into his crypt and made off with his remains, apparently in an attempt to extort money from his family. The plot failed, and, following the capture of the robbers, the body was discovered eleven weeks later near Lake Geneva.

Not unsurprisingly, given that the ransom plot collapsed within the first few days, speculation lingers as to what a bunch of skilled professional mechanics were doing with it for the weeks preceding its restoration to the family.

Many theories have been advanced, but most Chaplin scholars and biographers believe that the ransom demand was a ruse to mask the real nature of

the mechanics' intentions. Rumours still abound that Chaplin's body was stripped down and rebuilt over a chassis rich in gears and levers, all powered by a relay system of rechargeable batteries which ran from the interiors of the ankles up the legs and spine to his head, and that their object – as Chaplin fans – was to make the beloved "Little Tramp" live again.

Only, just like in all the horror films, the resulting life form came out evil. Please see our artists' impressions, taken from the descriptions of shocked Swiss witnesses who claim to have seen the peculiar Chaplin-like contraption waddling about in clown shoes and bowler hat with a key in its back and wagging a poison-tipped cane in the hills above Berne.

Charlie's body was reburied under two meters of concrete to prevent further attempts. So don't even think about it...

TECHNICAL WONDERS OF THE MODERN AGE

72 YEARS AGO: A WHOPPING BRIDGE

1937: In California, the Golden Gate Bridge opens to pedestrian traffic, creating a vital link between San Francisco and Marin County. The next day, President Franklin D. Roosevelt pushes a button in Washington, D.C., signalling the start of vehicle traffic over the world-famous bridge.

Little did he guess that less than seven decades later, in the course of a largely meretricious fantasy flick, super villain Magneto, portrayed on the silver screen by Sir Ian "Come sit on my knee, young hobbit, for I am Gandalf" McKellen, would levitate the structure violently from its

foundations in the third X-Men film and swing it across the bay to Alcatraz as a means of transporting his army of evil mutants to the island to wreak havoc.

Had FDR known that the events depicted in this flick were ever to come true – even on screen – it would be an embarrassment to the wheelchair-bound President, who saw the bridge as a thoroughly dependable structure which magnetism could not possibly levitate, even in a hack screenwriter's imagination. Still, he probably had other shit to worry about...

HOLIDAY HO-MANCE!

Celine looks like the perfect travelling companion – and the Ed agrees...

PHOTOS: RUDEBOY

Well, as the long British winter drags on into March, Club Editors' thoughts generally turn to fucking off somewhere warm for a couple of weeks with one or two of the girls in tow for some hard work shooting a couple of location sets to keep everyone's peckers up back home! See, he's good like that – always thinking of others before himself. Anyway, this year it seems he decided Celine here was worth inviting along for the annual jolly, and you can see what he was thinking of, can't you?

So, Celine, have you got any ideas why he might have picked you out to come along this year?

"Because he thought I was a good model and would look great in Club of course! There was certainly nothing unprofessional in our behaviour, that's for sure!"

We wouldn't dream of suggesting there was. The Ed doesn't swan off to sun-traps with sex-crazed girls just for fun, after all – it's his professional job! ♣

HOW TO IMPALE SHEILAS:

A BRIEF GUIDE FOR BORING BLOKES WHO NEVER NOBBLED NOR TOPPED ANYONE WITH A SWORD OR WADED THROUGH THE RESULTING POOL OF CLARET WITH A NET AND A PITCHFORK
RUSSELL CROWE A.K.A. MAXIMUS OUT OF GLADIATOR

"Poms, Romans, countrymen. Lend us yer shears."

G'day. My name is Russell "Maximus" Crowe. I'm 45 and a former Roman centurion from New South Wales. These days I work as a gladiator for whichever emperor is in power. All I remember from the film is that it's the one who is slamming his sister. In which case I guess it could be nearly any Roman emperor at all! Haw haw haw. Yep, they was a bawdy lot!

Nah, I like a good laugh, plus it gives me a chance to practice my mid-Atlantic English accent, like how the flick's director Ridley Scott reckons gladiators speak. As he pointed out to me, they don't talk with a fucking Aussie accent!

Even though, in fairness to myself, it must be said that it took several people explaining things to him before he grasped the difference between gladiators and matadors. He kept saying: "Look, when me and my brother and fellow director Norman Scott was in Torremolinos one time, we seen mobs of blokes waggling red hankies and getting maimed and killed. I think as famous film directors we would know wot we was watching. But you say that wot Norm and me seen was something different."

"Yes, Riddles," I said, "That's why this flick's not called Matador."

He remained very skeptical until the last week of filming. (Though I heard young Orlando Bloom had a similar problem with him when they was making *Kingdom Of Heaven*, with Ridley traipsing round the set demanding to know how was they going to get all the props and actors up onto the clouds so he could start shooting.)

Anyway. About nailing hot sheilas. Naturally

with a buff bod like mine this is easy for yours truly, but, seriously, guys, no matter what you look like, if you work on a few simple fight moves and get tooled up properly before confronting your chosen female opponent, you'll empty your pork sword every single time!

Come well-tooled, but not with the usual gladiatorial small arms. Daggers are no use in

a grapple or a wrestling match of any kind, perhaps most especially the sexual sort. Instead, pick out a nice bit of net from your local fishing boat chandler's and a quality trident. Gird your loins in a cloth, grab your new accessories, then confront the bird of your dreams. Encompass her in your net and stick her hard in the arse or some other soft portion with the big three-pronged trident. Hold her steady and ignore any shrill complaints along the lines of "Oi! I been pronged!" And go for it. Go ahead. You're a gladiator, clobber. Even though you're enslaved, feel free. Just do it.

See, the only real trick to all this is to shag her before she bleeds out. Shag her consensually, I mean: obviously. I'm not a Barbarian. (Plus you might be best advised to get her consent first in writing, signed, witnessed and notarised.)

against her and as I saw Julia writhe through

another orgasm I pulled out, squirting a further load on Stacy's cute little arse, covering her cheeks with the stuff.

Both girls now got up and dressed, Stacy not even worrying about my spunk covering her bum. They both kissed me and Julia said they would arrange for another bottle of wine to be sent up on the house. And with that they were gone!

I lay on the bed for a few minutes, reliving the whole thing in my mind until suddenly there was a further knock on the door. I

"I pulled out, squirting a further load over Stacy's cute arse."

got up and answered naked, hoping one or both may have returned, but instead it was the receptionist who had checked me in, who just wanted to see if everything was alright. After quickly wrapping myself up I assured her that everything was just fine!

I saw her again the next morning when I checked out and she asked me to complete a satisfaction survey. She smiled when she looked at the marks I had given. I also made sure I made work aware to always book me in at the same place when next I was in the area, although sadly I never saw the girls there again...

Ian, Mansfield. ♣

BUM'S THE WORD!

As an unapologetic arse man, I've been buying *Club* for years – not only because of Peaches, but also because you always seem to get hold of girls with the cutest derrieres in the business!

Of all the bums you've ever featured, I always reckoned Sandy's was the finest – what I wouldn't give to try it out for size in real life! – but Madison's rear end in issue 4 was definitely worthy of comparison with the finest. Luckily for me my girlfriend Liz is fairly well blessed in that department, too, so between *Club* and her, I'm a pretty happy guy!

Ian, Kew.

THROTTLE BLONDE!

And no, that's not a suggestion, before you ask!

PHOTOS: 21ST SEXTURY

Chanta went down a bit of a storm last time we featured her in her blonde guise last year, so we figured we'd give it another go just for good measure, and she's only gone and knocked our socks off again! So anyway, what's the bike you've got there, Chanta?

"I've got no idea! There's only one thing I know about motorbikes, and that's that guys who ride them make me really hot!"

Oh, is that so? Hmm. In that case, perhaps you'd be interested to know that we've got quite a magnificent bike at home, which we like to take out for a spin whenever we get the chance...

"Really? Could you take me out for a ride some time? How many CCs?"

Heh-heh! We're not CCing anybody on this one – this is strictly between you and us! As for the ride – well it's, umm, under repair at the moment. Still, if you give us one, we'll owe you one... ♠

THE JOKE'S ON YOU!

There's more to life than gloriously naked young ladies, you know. Like having a good laugh, say. Luckily Club can do one of those things, isn't it?

Send us your favourite filthy jokes and we could reward you with a crisp £50 note so that you can go down the pub and have a drink with your mates while you tell it! Send your joke to the usual address or email them to clubint@paulraymond.com

FANCY A FILLING?

One night, as a couple lay down for bed, the husband gently taps his wife on the shoulder and starts rubbing her arm. The wife turns over and says, "I'm sorry, honey, I've got a gynaecologist appointment tomorrow and I want to stay fresh." The husband, rejected, turns over and tries to sleep.

A few minutes later, he rolls back over and taps his wife again. This time he whispers in her ear, "Do you have a dentist appointment tomorrow too?"

Brian, Esher.

"Ya missed me didn't ya?"

SOLD AS SEEN

I bought an antique Persian rug off eBay. It was advertised as being in mint condition.

When it arrived, there was a great fucking hole in the middle.

Frank, Kingston.

UNHAPPY HOUR

A man walks into a pub, goes to the bar and orders a beer.

"Certainly, Sir, that'll be ten pence."

"Ten

pence!?" the man exclaims. He glances at the menu and then asks, "How much for a nice juicy steak and a bottle of wine?"

"That will be a pound," the barman replies.

"A pound! Wow!" exclaims the man. "Tell me, where's the guy who owns this place?"

The bartender replies, "Upstairs, with my wife."

"And what's he doing upstairs with your wife?" the man asks.

"I'd guess he's doing exactly the same thing I'm doing to his business down here," comes the reply.

Ray, Axminster.

SLIM CHANCE

A man goes to hospital feeling really unwell. The Doctor performs some tests and says, "I am afraid you have a very rare and very contagious disease. We'll be transferring you immediately to a room where you will be kept in strict quarantine and be fed

a diet of pizza, toast and pancakes."

"Will that cure me?" asks the man, hopefully.

"Probably not," says the Doctor, "but it's the only food we can get under the fucking door!"

Geoff, Swindon.

EDEN STEVENS

Adam and Eve were walking in the Garden of Eden. They came across God who was putting a few finishing touches to the scenery.

"Oh! Hello you two,"

said God cheerfully. "I was hoping to see you today. I'm just finishing things off and I've got two gifts left in my bag to share out between you."

"Oh, what are they?" asked Adam excitedly.

"Well the first is a little 'hose' to urinate through," said God. "I figured I'd call it a penis."

"Oh brilliant!" exclaimed Adam. "That would be so cool. Just think what I could do with that! I could have competitions to see how far up the wall I could piss, or write my name in the snow, or have a slash without having to sit down. Hey, I could leave the toilet seat up and really annoy the missus. I could have a right good time with that. I'd love that God. Can I have it please?"

"OK Adam, there you go," said God, and he fished it out of his bag and presented Adam with his brand new penis.

What do I get, then?" asked Eve, just starting to feel a twinge of envy.

Looking in his bag again, God said, "Well Eve, it looks like you're going to have to make do with the multiple orgasms."

Martin, Edinburgh. ♣

NOT MY TYPE

A husband and wife decide that they need to use code in front of their daughter to tell each other when they want sex. They both agree that the code word is "typewriter."

One day, the husband says to his daughter, "Can you go and tell your mum that I need to type a letter?"

The daughter runs off to her mummy and tells her, to which the mummy replies, "The typewriter has red ribbon in - so its not working."

A couple of days later, the mummy tells her daughter, "Go and tell daddy that he can use the typewriter now."

The little girl runs off and tells daddy, to which he replies, "Go and tell mummy that it doesn't matter now - I wrote the letter by hand."

Ryan, Colchester.

HAVING A BALL!

These two don't need any inflatables to have some poolside fun!

PHOTOS: NICOLAS SAGE

If there's one thing we at *Club* like better than a gorgeous young babe fingering herself by a sun-kissed poolside, it's two gorgeous young babes fingering each other by one! Riley and Georgia here both score pretty near top marks on

our patented babe-ometer, so getting them together like this for some seriously scintillating lesbo lappery was a real result – and not least for the girls themselves!

We like to pride ourselves on our

discernment when it comes to watching girls getting it on, and the way these two were going for it during this shoot was eye-boggling! And when we'd shot our load (of film!) they just carried on, the dirty mares! ♣

BETTER RED THAN DEAD!

Discrimination is a terrible thing – especially when it's against big-titted beauties!

PHOTOS: FRÉDÉRIC DELMAS

Well, just in case our comments about Joa have got Alistair Darling feeling a bit down in the dumps (as we have it on very good authority he's an avid *Club* reader), we thought we'd throw in this set to show that things aren't always terrible when you're in the red! OK, so unlike the nation Helen here isn't actually horribly in debt (except, perhaps, to Mother Nature for providing her with the sort of charlies that many girls would happily pay through the nose for) but she is, at least, wearing red – and doesn't she look good in it? In fact we were so blown away by how hot she looked when we arrived to supervise the shoot, it took us practically the whole shoot before we noticed she was actually a bit of a ginga.

That got us thinking – perhaps it's time to stamp out the sort of prejudices that redheads have faced over the years. Let's face it, Helen's about as fine a specimen of womanhood as you could wish for, which makes us equal-opportunity pervs! ♣

Young Harlots: Finishing School (Harmony)

Regular readers will know that we've been quite impressed by earlier installments in Gazzman's *Young Harlots* series for Harmony, so strangely enough it wasn't too long before this one somehow found its way onto the 'reviewing monitor'. This time the action appear to have moved abroad, but the sex is still as in your face as you'd expect, and Sunny Jay's first to the crease, taking a solid DP from the deranged janitor and one of the profs, until her poor jacksie looks like it could use a month or two off. Scene two's Nataly keeps things strictly front-door but she's still a dirty little minx, before up pops *Club* cutie Sarah (AKA *Satin Bloom*) to take a back-scuttling in the next scene, which even a touch of shaving rash can't spoil. There's plenty more filth to come, with Jenny Baby's triple-dicking deserving particular mention in what's ultimately another satisfying YH title. Are we imagining it, though, or are things perhaps starting to run out of steam a tad...? ★★★★★

Black Owned 3 (Jules Jordan Video)

Jules Jordan's one of the masters of anal-obsessed filth, and while this is, ostensibly, an interracial-themed flick, there's also plenty of bummary thrown in! Opener Julia Ann gives us a pretty good idea of what's in store – she's a big-titted blonde, who gets all her holes plundered by her black stud, whilst Shayla Stylez goes one better by getting DPed by about two feet of afro-pipe. More black on blonde bum-bastics courtesy of Anette Schwartz (with a funny nasal pop) and more DP action with Andi Anderson before the only non-blonde, the flaming-haired Raven Black(?!), appears. Then a three-on-one for Aline sees us out in filthy, fashion. ★★★

Walton Street (Film Erotica)

Film Erotica tend to avoid titles like *Come Covered Fuck Holes 5*, but naming a bongo film after a Kensington Street? That's pretty far out! There's plenty of English talent on display, here; shaven fannied Sophie's first up, getting a drilling from her equally shorn fella, then there's some girl/girl with Alexandra and the very English looking Syren. Geordie Chambermaid Satine's next up, taking an eye-pleasing enough screw from a hotel guest. There are a couple more scenes to come, and each one's nicely shot, but there's nothing too rude to keep raincoaters happy – just people having it off, really! Ideal couple-friendly porn, in other words... ★★★

DON'T COVER UP!

Crystal's more recognisable naked – so off they come!

A quick flick through our record books tells us that the last time we hooked up with covergirl Crystal was a full year ago! Blimey, doesn't time fly when you're surrounded by naked birds? Anyway, a whole year – and we were eager to find out if her exposure in *Club* had made things at all different for her...

"Oh sure! Especially for the first three months or so. I kept getting double takes from guys when they saw me in the street – like they thought they recognised me, but they weren't sure where from."

You'd think if you'd spent a bit of time gazing at a girl's snatch you might have the manners to remember her face as well, wouldn't you? Perhaps if Crystal tried walking down the street in the altogether things might be a bit different – what do you reckon? ♣

EVE-O- LUTION THEORY

***We think we've got
definite proof for the
survival of the fittest...***

PHOTOS: JACK HARRISON

Whilst religious types might want to argue, there are certain things which, while on the face of it are 'unnatural', are so obviously 'right' that you'd have to be bonkers to argue. A prime example of this, of course, is the sight of two beautiful women slurping away at each other's chuffs! God bothers will say this sort of thing is immoral, while fans of Darwin would be hard pressed to discover what sort of evolutionary benefits it provides, but there can be little doubting the fact that watching so full-on lesbo lappery provides us males with a great deal of pleasure indeed! So where do the girls themselves stand on this issue?

"I don't really know about anything like that," chipped in Eve (the blonde one, we think). "All I know is that I love the taste of Andie's quim, and I'd rather be licking it than talking about a load of bollocks like this!"

Well there's one in the eye for Richard Dawkins! ♣

READER'S GIRLFRIEND

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 2 Archer Street, London, W1D 7AW (or email clubint@paulraymond.com). If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Laura **AGE:** 22
VITAL STATISTICS: 34A
WHAT'S SHE LIKE? Experimental!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Well actually, it's because a friend of mine was in *Club* a year or two back (Sasha – 36.13 – Ed.) and she enjoyed it so much she's been modelling a fair bit since! Well, she kept telling me about it, and I thought 'Why not?!'

WHY NOT INDEED? AND DO YOU THINK YOU'D LIKE TO DO SOME MORE AFTER THIS SHOOT?

Sure, if anyone wants to photograph me and pay for the pleasure, I'd be delighted. It's my body, after all, and I can do what I like with it! I've done far ruder things than this shoot for you guys, after all!

OH REALLY? WHAT SORT OF THINGS?

Ha-ha! Well, probably the rudest thing was when I had a threesome with my boyfriend at the time and his best mate! I'd always fancied the mate anyway, so I knew he'd be up for it, and my then boyfriend was a right dirty bastard too, so it didn't take much arranging! Having one stiff prick to play with is lovely, but girls, I can tell you having two at your disposal is fantastic!

AND ANY MESSAGE FOR CLUB READERS?

Nothing major – hope you enjoy the pictures, and enjoy sex. That's what it's for! ♣

PIECE TRAIN

Normally, I wouldn't be seen dead out on the town with my sister, but seeing as she was in possession of a spare ticket to one of my favourite bands, I made an exception and accompanied her down to London last month. A few of her mates came too, and Karen instantly caught my eye. All done up in leather, with long black hair and Goth make-up, she was a real stunner, so I started flirting with her as soon as we got on the train. It seemed pretty clear the feelings were mutual, and after the show and a few too many beers I decided to

make my move.

We were on the platform heading home and I slipped my arm around her waist and pulled her towards me for a snog. Karen was well up for it and thrust her tongue in my mouth, grinding her crotch against mine as she did so. My dick swelled as we kissed and I ran my hands down over her arse, squeezing her buttocks through her leather mini-skirt.

In the darkness, Karen slipped her hand between us and rubbed the bulge in my jeans, pressing her big firm tits against my chest as she made it obvious she wanted to take this further.

My sister grinned at me as we got on the last train home so I guessed it was okay with her and I led Karen to an empty carriage.

As soon as we sat down she was once again fondling my cock through my trousers and I reciprocated by sliding my hand up her fishnet-clad thigh, under the hem of her leather skirt and onto the bare flesh above her stocking tops. Wow, this babe was ticking all the right boxes when it came to my ideal fuck!

Shifting slightly in her seat, allowed me to reach her pussy and I tickled the mound of her sex through the taut material of her knickers. Jeez, she was already damp and I pressed my finger into the groove of her twat as Karen started to unzip my jeans to get at my dick.

Now, I didn't mind if anyone saw us getting dirty in the carriage but I wanted to fuck this girl without any interruptions so I suggested we went to the toilet for a bit more privacy.

Karen moaned her approval and followed me as I pressed the button on the automatic door and once inside pressed 'Lock'.

Karen had my jeans down in seconds flat, dragged my semi stiff prick out and kneeling on the floor stuffed it in her mouth. Thank fuck train toilet cubicles are

bigger these days as I was able to take her biker jacket off with ease in order to get at her knockers. Karen was jerking her head up and down on my shaft like a woman possessed as I lifted her mohair jumper and stroked her tits through her bra. Karen gripped the base of my cock and began swirling her tongue around my bulbous knob while cupping my balls making me yearn to spunk up down her throat. I had her tits out by then though and squashed the soft flesh either side of my dick, revelling in the cleavage I was fucking.

Karen suddenly stopped sucking just as I was about to come and pushed me back onto the toilet. Lifting her tight skirt up to her waist and yanking down her panties, she straddled my thighs and pulled her hairless cunt lips apart with her fingers. I could see right inside her gooey pink hole and my prick pulsed its appreciation as Karen stretched the glistening wet entrance as wide as she could before lowering her crotch onto the tip of my meat. Staying in that position for a moment so that we could both enjoy the horny sight, she slowly sank down onto me and I watched my dick slip inside her tight tunnel. Then she leaned forward, cupped her breasts and pushed them into my face, inviting me to suck those lovely stiff nipples.

I didn't disappoint her and was actually able to slurp on both teats at the same time, much to

Karen's obvious pleasure as she began to moan and groan, squirming like a tart on my meat.

I ran my hands up Karen's fishnet stockings and slipped them behind her until I'd got my hands on her arse. Lifting her slightly, I then dropped her back down on my aching prick. She got the idea quick and rose up off my shaft before banging back down. She continued getting faster and faster while I sucked and slurped on her nipples, hoping she'd come so I

"I could see right inside her gooey pink hole, and my prick pulsed its appreciation..."

could unload inside her. As if reading my mind, Karen yelled out, far too loudly for a train toilet cubicle and I felt her cunt muscles constrict around my dick as she orgasmed.

That was too much for me, and I fired my spunk deep up her love tunnel, draining my balls of jizz as her twat muscles clenched my tool like a vice.

Panting with exertion, Karen lifted her gaping cunt off my cock, my semen dribbling obscenely out of her hole as she did so. She wiped her

pussy with toilet paper and gave my dick a quick suck clean before I pushed it back into my jeans.

As we returned to my sister and the rest of her mates, they actually gave us a round of applause as they'd probably heard most of what we'd got up to.

Turns out my sister had set me up, arranging the whole trip in order to get Karen and me together. Thanks Sis!

Ryan, Stevenage.

THE BATH PARTY

Me and my girlfriend Jo have never really gone in for all that Valentine's Day stuff – it's just an excuse for the shops to flog a load more tat as far as I'm concerned, and she pretty well agrees with me. Besides, I've always found that giving a girl flowers and presents as a surprise always works better than just doing it because you feel you have to. That said, we do sometimes like to celebrate February 14th in our own special way, and this year turned out to be an absolute corker.

We had a bottle of champagne in the fridge left over from Christmas, and Jo suggested it might be nice to take it upstairs and share a bath together. We've got one of those baths that's got the taps in the middle on one side, so it's quite easy to accommodate two people without anyone getting too uncomfortable.

Anyway, we headed up, ran a bath, poured ourselves a couple of hefty glasses of fizz, and in we got.

Jo's always been pretty keen on foot play, and as we sat facing each other I suddenly felt her toes stroking the sides of my cock, skillfully teasing it into life despite the relaxing effect of the hot water.

"Mmm," I sighed, as, once she'd got me fully hard and set about wanking my shaft between her big toes. She took things nice and slowly, stopping occasionally to massage my balls, before returning to the matter in, er, foot. Seeing as my own feet were at something of a loose end, I edged them down to her pussy, flicking her slippery lips with my toes before easing one, then both big toes inside her hot slot. This made Jo squirm, as she wriggled down a bit,

pushing her pussy down onto my feet and rubbing herself firmly against them.

We carried on like this for a while, gently teasing and flicking each other until Jo suddenly stopped. "I've had an idea," she said, reaching into the little basket in which she keeps all her bath stuff.

I watched, intrigued, wondering what she might have in mind as she rummaged around, but when she pulled out her razor I got the picture pretty quickly.

"Want to do some shaving?" she asked, and handed me the razor. With that she stood up and sat herself on the side of the bath, stretching her knees wide and giving me a wonderful sight of her glistening pussy.

Grabbing some body wash, I blobbed some onto my hand and, positioning myself between her spread thighs, began to massage the stuff into her muff, working up a good

lather before splashing the razor in the bath water and getting to work.

Jo let out an involuntary groan as I made my first stroke, starting carefully at the top and gently scraping away the pubes above her pussy. She's always kept her pubes nice and neat, so I didn't have a great thatch to hack through, and it only took a couple of gentle scrapes to leave her smooth and gleaming. Before long I'd done the top part, and turned my attention to the fiddlier areas on either side of her pink lips. "Careful now!" Jo instructed as I started, holding the razor sideways and gently scraping away at her, making extra sure I didn't nick any of her sensitive folds.

Every now and then I'd stop and rinse the areas I'd done, making sure I hadn't missed anywhere, before finally I was done. A good rinse of bathwater and there it was, not a foot

in front of my face – a perfectly shaven pussy, leaking a trickle of juice and just begging for more attention.

"I wonder if shaven fanny tastes any different," I mused, looking up at Jo. She grinned back.

"There's only one way to find out," she replied, and I tucked in. Using my thumbs, I prised her bald fanny open, marvelling at the hot pink folds inside before edging forward and, at first, just lightly flicking her swollen clit with the tip of my tongue.

"Oh fuck!" Jo groaned, shivering as I ran my tongue over her bud, but I continued to take things slowly,

floor and, without waiting any more time, sank my throbbing tool deep into her hot, wet love-hole. I love it when she's really wet after a good tonguing – everything seems that much more sensitive, and as Jo squirmed beneath me I began driving my pole into her, making her lovely boobs bounce with each thrust.

"Oh yeah!" she gasped encouraging me to go harder and faster, which I did until, after a couple of minutes or so of enjoying her tight wet pussy walls rippling around my shaft, I new I was nearing my own orgasm. Now Jo loves spunk, and feels a bit cheated whenever I come

"Using my thumbs, I prised her bald fanny open, marvelling at the hot pink folds inside..."

leisurely lapping away at the slippery petals of her newly smooth pussy, savouring the taste of her sweet juices with each lap. Every now and then I'd hold her even further open and push my tongue as deep inside her as I could, rubbing my nose against her tender clit as I did so. It wasn't long before Jo was gasping in pleasure, and suddenly she clamped her thighs around my head and juddered through a huge climax, drenching my tongue with her sweet juices.

Once she's got her composure back she looked down at me; "Now fuck me!" she ordered, and I was only too happy to obey!

Climbing out of the bath, my engorged prick sticking out in front of me, I got Jo to lay down on the

inside her, so mindful of this I pulled out and, kneeling between her glistening thighs, I wanked my tool a few more times before, with a loud grunt, I sent a cascade of my hot jizz shooting all over her beautiful body. Jo was smiling up at me as I bathed her in my come, and she scooped up as much of it as she could and rubbed it into her tits, all the time looking up at me as I squeezed out a last few drops onto her lovely flat belly.

At last I was spent, and Jo laughed that we'd better get cleaned up again, so we hopped back into the bath and gave each other a good scrub! Like I say, you don't have to buy into all the commercialism to have a good Valentine's Day!

PEACHES

It's the only place to find all your tales of backdoor fun – every single month!

BI- BI- BABY

I'd never really let my guard down at work, and certainly never revealed my sexuality to my colleagues. To them I was just Sarah, the office temp. I didn't join in with all the sexual banter, but it never aroused suspicion.

However, there was one girl who somehow got through to my carefully guarded secret. Zoë really listened when we talked and somehow she seemed to hear things that I didn't actually say. She not only worked out I wasn't interested in boys, but she twigged that I was interested in her. She was gorgeous and flirty, with that certain something that just made you think "Wow!" I loved it when she flirted with me – keeping my little secret right where everyone in the office could see it. I fell for her in a big way. I told myself that I would do anything to see her naked, so when she said that she wanted to have a threesome with her boyfriend for his birthday, I volunteered without thinking through

"She shamelessly sat down and opened her legs, revealing her naked pussy."

the consequences. I thought about backing out but she assured me that we were just going to put on a little lesbian show for him and that she wouldn't allow any touching.

So on the next Saturday Zoë and I went shopping, buying a matching set of expensive, revealing underwear. It was nice having a girly shop although my mind was full of Zoë and what we had planned for later on in the day. I couldn't wait! Evidently, neither could she. She slipped into a changing room and then invited me in as she slipped out of her clothes.

Within seconds, it seemed, she was completely naked and I drank in her body, my eyes dropping from her firm boobs, down her flat stomach to her shaved pubic mound. My eyes locked there, and she shamelessly sat down and opened her legs, revealing her naked pussy. I couldn't believe this was happening, especially in a busy shop's changing room!

I moved down for a closer look, kneeling between her legs and suddenly I was in there, mouth closing around her hot flesh. I could feel the nub of her clitoris and flicked it gently, sucking it into my mouth. It was fiery and

passionate – weeks of build-up and fantasy suddenly here, real! Within moments she spasmed and even the desperately muffled moans seemed too loud to go unnoticed when surrounded on all sides by happy shoppers.

After a few moments to recover, Zoë stood up and started to undress me. My clothes came off easily enough, and then she made to pull down my knickers. I tried to resist but was terrified of making any more noise. Down they went and I stopped resisting.

She manoeuvred me until I was sitting on her lap with my legs splayed. I felt my bra come undone and slide off and was mesmerised as I watched her examine my naked flesh in the mirror opposite. Her fingers slid down

my unresisting body and I watched as they approached my pussy. I knew it was going to happen but I wasn't ready for the intensity of the pleasure and took a loud intake of air.

"Is everything alright in there?" A voice asked through the door.

"Yes thanks, just be a minute," Zoë answered. Her fingers felt so good on my pussy. I didn't want it to end and managed to delay the inevitable orgasm, but not for long. It ripped through me with ferocious intensity but as soon as I could stand on my wobbly legs we were throwing our clothes on and rushing out, giggling all the way.

I wasn't sure how it was going to work, putting on a lesbian show for a guy I'd never met.

However, Zoë had it all well planned and I just had to play my part. She led Chris into the room and set him down on the sofa. He looked wary but as she pulled open his trousers and tugged out his cock and wanked it slowly into action, I could see him settle back and accept what Zoë had planned.

She paraded me around and stripped my clothes off one by one until I was left in just my stockings, then she kissed me and I melted. As she pulled me down on top of her, I was very conscious that I was displaying my bare bottom and pussy to this man, but it was actually giving me an even greater thrill to be doing exactly what I wanted to Zoë whilst he watched, and I decided to take full advantage of the situation. I took over and soon had Zoë in the throes of ecstasy, I went down on her again but this time I had no restrictions and I let her have my full repertoire of tricks. My tongue flicked across her sensitive clit, into her pussy and down to her arsehole. She seemed to respond to this more than anything else, and after a bit of teasing I pushed my finger into her anus. Instantly, she went off like a sexual firework.

After a string of orgasms she was asking me to stop as she couldn't take any more. Then she told me it was my turn, and asked if she

myself opening up in a new and exciting way. At first the pressure didn't seem to be doing much but I felt my pussy yield and suddenly it was inside me. It felt absolutely amazing and it was sinking deeper inside all the time. I couldn't believe it. Then I felt the pressure suddenly increase and I could see Chris mounting Zoë from behind. I saw a slightly puzzled look cross her face, then a look of realisation.

Zoë looked down into my eyes, "Oh my God," she said, "he's trying to put it into my arse!" The breath caught in my throat. She wasn't trying to stop him. I couldn't believe what was happening but

could fuck me. I didn't really know what I was agreeing to, but from a hidden corner she pulled out a strap-on with short fat cock, complete with balls. I'd never had anything like that girth inside my little pussy and I doubted very much if it would actually fit. However, Zoë was very enthusiastic about how it felt inside her and

with an enormous amount of lube and a few minutes with her fingers working their magic inside me, I was ready to give it a go. She moved into position and pressed it gently into my crotch.

It was so big that it didn't seem possible. However, soon I could feel

as he pressed into her, the pressure was forcing the strap-on cock deeper and deeper into me until I felt the 'balls' against my labia as it fully entered me. I had the whole thing inside me. My mind reeled at the thought of that huge plastic monster nestling inside my pussy but just at that moment, Zoë's face scrunched up in ecstasy as a fat cock sank into her backside. She lowered her head until her lips were nuzzling my neck. I could hear every little moan of pleasure as Chris started to fuck her arse, and every little movement set off a chain-reaction in my pussy as it was stretched and pulled with each thrust. As Chris quickened his pace the tiny

movements were building me towards a perfect orgasm. I held my breath, willing it to crash over me. I was totally at the mercy of Chris's rhythm but we were somehow perfectly synchronised and suddenly my whole body was writhing and arching uncontrollably.

As I finally came down from my sexual high, Chris moved round and held his throbbing cock out for Zoë to take deep into her mouth but somehow, without even thinking about it, I found myself reaching up and pulling it down into my own. As my lips closed around a cock for the first time, I could taste the delicious tang of Zoë's anal juices, but as I looked up into her startled face, I suddenly realised what I was doing. But it was too late, I felt it twitch and jerk and suddenly the familiar taste of Zoë was washed away by a salty surprise as my mouth was flooded with spunk. It filled almost instantly as Chris' cock spat repeatedly into me.

As he withdrew, I could see the look of amusement on Zoë's face – she knew that I was trying to work out what to do with my unexpected mouthful of spunk and I think I surprised myself more than anyone by giving her a wink and swallowing.

"Oh my God!" she almost screamed, "did you just swallow my boyfriend's spunk?"

I opened my mouth and stuck out my tongue in reply. Chris probably didn't realise the significance of what I'd done, although by the grin on his face he was deeply satisfied nonetheless. Zoë, however, won't let me forget it. She says that I'm the only 'spunk-swallowing lesbian' she's ever heard of and she's got a fantasy that she wants me to fulfil, where she's on the bottom of a 69 with me and her boyfriend is fucking my arse. I'm not so sure about this one, but my problem is that I'd do anything for Zoë, so I couldn't rule it out...

MULTI-WHORE-Y CAR PARK

I've always had a thing for guys in positions of authority, so when my firm got a new boss recently, I pulled out all the stops to try and impress him.

I gave him full benefit of my charms as I dressed up for him in a series of tight business suits that showed off my tits and long legs.

Mark was a bit of a hunk anyway so flirting with him came pretty naturally. He seemed to like staring at my cleavage and allowed me to sit on the edge of his desk whenever he wanted to dictate a letter. I always flashed an acre of thigh and started to wear black stockings, as I've never met a guy who didn't like lusting after a pair of nylons.

He took the bait, and it wasn't long before he was keeping me late and taking me for lunch

and the odd dinner date.

Coming back from one such business lunch, he casually rested his hand on my stockinged thigh and started to tell me how crucial I was to the company.

My pussy was getting juicy as he continued paying me compliments and stroking higher and higher up my leg until the hem of my mini was above my stocking tops. Deciding that I wanted his cock in me, I slipped my hand between his legs and squeezed the bulge in his trousers. We looked at each other, smiled, and Mark roared into a multi-storey car park and headed for the top floor.

Pulling into a remote corner, Mark flipped his seat belt open and turned to kiss me, his hand thrusting up my skirt and his fingers rubbing my cunt through my panties. His tongue pushed into my mouth and I unzipped his suit trousers, groping inside for his dick. We snogged frantically as he tore at my blouse, dragging my tits clear of my bra and pinching the nipples hard. He stopped kissing my mouth and moved down to my breasts, slurping and sucking them as I wanked his cock to full erection.

Half stripped, we clambered into the back seat of the Merc and Mark dragged my panties down to my ankles. With me facing the rear window he gripped my buttocks and without warning stuffed his tongue into the crack of my arse, pressing the tip into the tight opening of my bum.

Shocked, I tried to turn round but Mark was strong and slid a finger into my gooey cunt from behind as he licked my rear. Fuck, he was good, and as his thumb got to work on my clit, I

came over his fingers, dribbling fanny juice into his hand and over his wrist. Mark pushed his tongue deep inside my arse and spread saliva all around my twitching hole. Pulling his finger from my sticky twat, Mark eased it inside my arse and twisted it all the way up to the second knuckle.

Now, I've always liked bum sex but never usually as a first fuck, so I was a bit surprised at how forward Mark was being, but the smell of the leather and the scent of power was a great aphrodisiac and I even started to push back against his probing finger.

When he withdrew his digit from my tight rear I knew what was coming next and I didn't have long to wait. He positioned himself behind me and pressed the tip of his cock against my lubricated bumhole. I helpfully held apart my arsecheeks as he leant forward, the head of his meat making it past my muscle and into my backyard tube. He felt huge as he slowly stuffed his length all the way in, until his balls bashed against

my buttocks. I felt so full of prick that I daredn't attempt to move in case he split me in two, but as he began to pull out of me and then slide right back in, the lovely warm sensation in my arse took over and I reached down to my clit to pleasure myself.

The whole car shook as he fucked me in the rear, faster and faster, slamming his thick dick like a plunger up my bum. He grabbed handfuls of my swinging breasts as he plugged my butt, mauling the mounds of soft flesh as he worked himself towards orgasm.

My arse felt like it was on fire as I came over my own fingers, and the pulsing of my fanny must have worked its magic on Mark's pumping cock as I felt him tense and the sperm shoot up his shaft. A second later jets of spunk blasted deep up my arse as he ground his crotch against my buttocks and moaned with lust.

After the last drop of seed had drained from his meat, Mark pulled out of me and a stream of semen immediately cascaded from my tender hole onto the leather seat and over my stockings. He watched as I licked it up and cleaned his dick with my mouth too.

I'm pretty certain my job is safe, as my boss knows I'll bend over backwards – and forwards – to make him happy!

Josie, Bromsgrove. ♣

FEELING (B)RANDY!

An innocent face and a dirty mind? That's just how we like 'em!

PHOTOS: EXPOSUREZONE

We've managed to line up quite a selection of newbies for you this month, all of them straight out of the top drawer, and Brandy here holds her own against the best of them! Isn't she cute? She's got the sort of face that really ought to be presenting alongside a puppet or something on some sort of children's TV channel, but luckily for us she's got the mind – not to mention the body! – to guarantee her a spot on our very own PaulRaymondTV instead!

"It's funny you should say that," said the girl herself when we pointed this out to her. "When I was younger I wanted to be a primary school teacher and work with small kids."

So what happened to change your mind?

"I discovered sex! After that, I knew that I wanted to do something that would allow me to explore my sexuality."

Sweet. Can we explore it too? ♣

Zed Ain't Dead Yet, Baby!

Club cops a load of Nissan's latest addition to the Z-Cars range...

Nissan came up with a surprise of Pearl Harbor proportions just over a year ago when it unleashed its new GT-R, and scared the crap out of the Porsche and Ferrari establishment. Not only is the two-door better than its legendary forebear, it's also one of the fastest, most agile and thrilling machines money can buy. And in relative terms, its £60,000-odd price tag is an absolute bargain.

Of course, the GT-R's considerable talents mean you can't actually get your hands on one. Even in this

tough financial climate, Japanese manufacturers are careful with their production volumes, so if you gave your local Nissan dealer a deposit now, you'd have to wait until the start of next year for your 911 chaser to be delivered.

Still, salesmen are desperate for some commission at the moment – and they will try to steer you towards a Nissan with similarly legendary status. FAnS of Japanese cars got a bit of a sweat on when the 350Z was revived in 2003, and the coupe certainly delivered with

its muscular looks and wonderful V6 engine note. But the car's soft settings left many owners cold. So does the all-new 370Z address those shortcomings? And has it been sprinkled with some of the GT-R's magic dust?

There was nothing wrong with the way the 350Z looked, so Nissan's designers have followed an evolutionary approach. The shape has been sharpened up, with the introduction of gorgeous new xenon headlights, a larger bonnet bulge and wider rear wheelarches.

Inside, the two-seater feels really special. Nissan claims it puts the driver at the heart of the action, and the seating position is excellent. Everything is beautifully laid out, and the step up in build and material quality over the previous Z is marked. No cheap plastics are on show in this car; instead you get a smattering of classy metal trim.

The central screen gives access to a range of interior settings, while the instrument display ahead of the driver is deeply scooped. Separate gauges are fixed to the steering column, so they're always in your line of vision. What's more, the

NISSAN 370Z

Engine: 2.7-litre V6, 326bhp

Torque: 366Nm

0-60mph: 5.4 seconds

Top speed: 155mph

Price: £30,000 (est)

Contact: www.nissan.co.uk

centre console stretches the length of the cabin, separating driver and passenger – so even at a standstill, it feels fast and involving.

Key for the newcomer, though, is the way it performs and handles. And when you hit the starter button you're left in no doubt at its potential. The all-new V6 engine rumbles into life, then settles into a pleasing thrum at idle. This unit has a larger displacement than the 350Z's, at 2.7 litres, while its 326bhp power and 366Nm torque outputs represent increases of 17bhp and 4Nm respectively.

It's mated to a choice of new

transmissions. The six-speed manual box gets the world's first rev control system, which blips the throttle automatically to ensure lightning-fast gearchanges. Alternatively, buyers can go for a seven-speed automatic, with steering wheel-mounted paddleshifters.

Whichever you go for, immense pace off the line comes as standard. Floor the throttle, and power is delivered progressively to the rear wheels all the way to the 7,000rpm red line. The 370Z flies towards the

horizon, sprinting from 0-60mph in only 5.4 seconds on its way to an electronically limited 155mph.

That's a significant improvement over the previous Z-car – and even more impressive is the greater driver involvement Nissan has brought to the package. As the newcomer is lighter, it's naturally much more agile, but changes to the chassis and suspension have provided much greater responsiveness. The rather soft, soggy handling for which the 350Z was criticised is long gone. This machine feels altogether

sharper, with stiffer settings, more accurate steering and offering much better grip.

Bearing in mind you could almost buy two 370Zs for the price of one GT-R, the £30,000 newcomer also looks pretty good value. And as a muscular alternative to the likes of the Porsche Cayman, it's incredibly tempting. If this is what Nissan can do, perhaps we ought to get someone to bomb the crap out of Birmingham – then in half a century we may see a viable MG Rover supercar! ♣

LISA

CHAISE ALL THAT!

Lisa reckons beds are for boring old squares!

PHOTOS: JACK HARRISON

What's this? Another new face? Unless we're very much mistaken (and our memory has been known to slip before) Lisa here brings this month's tally of newcummers up to five, which has got to be a record of some sort. Still, who gives a flying fuck about the record book when you've got a shapely, leggy blonde peeling off and fingering herself right before your eyes? And is that the sweet smell of sex we can detect?

"It probably is," replied the statuesque saucepot. "I was just thinking about an ex of mine, who was the most amazing fuck I've ever had. He had a chaise lounge a bit like this, and we used to get up to so many filthy things on it my pussy's dripping just thinking about it!"

Oh really? What sort of things?

"Well, he used to stand me up and make me lean over the arms, while he buried his face in my cunny and arse, eating me out until I literally couldn't stand up any more, then he'd fuck me from behind for ages before filling me full of his come. Fucking on a chaise lounge beats a bed any day of the week!"

We'll take your word for it, love! ♣
